EXPERIENCE

Founder & Brand Designer · Levity Ltd.

Jan 2023 – Present · San Francisco, CA

- Built cohesive brand identities — logo, type, color, voice, and visual systems — for **10+ small businesses and creative founders**.
- Designed and shipped websites, content templates, and brand operating systems that drove **50% audience growth** and **14M+ combined views**, including a Joe Rogan Experience placement.
- Translated brand systems into operational tooling — branded Notion workspaces, Asana templates, asset libraries — cutting client workload by **~10 hours / week**.

Marketing & Brand Lead · Live.Laugh.Colorado.

Sep 2024 – Dec 2025 · Denver, CO

- Directed digital + print brand communications across **3 markets**; authored brand guidelines, asset libraries, and listing templates used by **30+ agents** across a **\$100M+ pipeline** — lifting engagement **30%**.
- Designed multi-channel campaigns spanning email, social, OOH, and event activations — including The Next Big Thing brand activation (1,000+ attendees).

Brand & Communications Designer · Primitive (Web3 / DeFi, Seed)

May 2022 – Dec 2022 · Remote

- Shaped voice and visual narrative for an AMM-based fintech product through a **\$9M seed raise** and **1.7M TVL** launch.
- Designed investor decks, white papers, pitch collateral, and product marketing — translating engineering into visual clarity for both investors and developers.

Photographer & Brand Designer · The Comedy Fort

Jan 2021 – Aug 2024 · Fort Collins, CO

- Photographed **100+ live events** and designed branded social campaigns for national headliners and local talent — boosting engagement **70%** and growing Instagram **167% in one year** (3K → 8K).
- Designed posters, merchandise, social cuts, and venue collateral for **Jokechella 7** (sold-out 3-day festival, 1,080 attendees) and 1,300+ shows over 3.5 years.

Visual Content Coordinator · Learning Advantage Inc.

Oct 2019 – Dec 2021 · Fort Collins, CO

- Produced photography and edited visual assets for product catalog and marketing rollouts; partnered with sales + design to streamline launches and built workflow automations that lifted efficiency **78%** and cut manual filing **90%**.
